

EVERY MONDAY MATTERS®:

An ACROSS NH Community of Practice

***What is a Community of Practice?** It is a group of people who share a common learning interest and who come together to learn more on the interest. The interactions in the community produce a body of knowledge, tools, methods, and share experiences that affect practice of everyone in the CoP.*

I Matter, You Matter, We Matter. That is the focus of Every Monday Matters. In the monthly Community of Practice (CoP), we will discuss the EMM theme and sub-themes of the month. We will share activities, successes, and challenges that we face. Together we can positively effect change in our programs and bring happiness and goodness to our world. We will begin with a launch and introduction! You matter to us, so please join us for the launch, and on the first Monday of every month to explore and implement EMM into your program.

Launch and Introduction to Every Monday Matters ACROSS NH CoP:
