

Searching for a Training

Are you looking for a training in the NH Professional Registry? Follow these simple steps to find what you need.

1. Log in to your account in the registry at <https://nhportal.naccrware.net/nh/home.action> with your user name and password.
2. Click on the blue "Training Calendar" button found at the top center of the page.
3. A monthly calendar will display with upcoming workshops shown on their respective dates. Browse the training offerings this way to find what you are looking for.
4. Or you may click the "Search Training Sessions" button centered above the month displayed.
5. Enter as many or as few search criteria as you would like and then press "Search". If you are looking for all upcoming Afterschool workshops, enter "AS" in the Training Code line. If you have a specific date in mind, just enter the date. The same goes for trainer, location, title and so on.

As always if you have questions or need help navigating the registry, please do not hesitate to contact ACROSS NH at 603-206-6848 or email acrossnh@seresc.net. We are here to help!
