March 16, 2020

Dear Friends and Colleagues,

Today I am announcing the suspension of all ACROSS NH activities through April 17, 2020, including:

- The ACROSS NH Spring Conference for Afterschool: canceled and registration fees have been refunded
- All onsite consultation: canceled until further notice
- All onsite professional development workshops: canceled until further notice
- Leadership Institute I and III: March and April sessions are canceled, and the Institutes will resume in May
- Leadership Institute II: postponed until a later date
- The SEML Cohort: postponed until a later date

This is a difficult and trying time for all of us in afterschool. We are in uncharted waters and information is coming forth rapidly, sometimes several times a day. ACROSS NH will continue to provide you with the best current information. If you are on Facebook, please follow the ACROSS NH page, which is being updated regularly with information. Visit our website for information specific for out-of-schooltime programs at www.acrossnh.org.

Please stay safe and healthy. And please be in touch, via email and Facebook.

My best to you,

Susan
